MUSIC WITH THE SHARKS WEEK

April 26 - 29th

This is a big week for the Boosters. During the week, we play a musical selection on the morning announcements and then at lunch we ask a trivia question based on the music. One winner is chosen at each lunch and the student will receive an itunes gift card.

April 28th - Student Performance Night

This is a great time! Students will put together their own acts and perform them for the crowd. A separate flyer will come home about the performances, but students should think now about what they want to do. The show starts at 7:00PM and the cost is \$2.00 per person or \$5.00 for a family.

We need help getting the week ready so please try to come to the planning meeting!

Any donations would be appreciated for the itunes cards. Please send them to your child's music teacher.

Thank you for all your support!
